CSU Adopts A Family

The 97-98 school year was a busy one for CSU. They adopted a family (The Freeman's) in hopes of assisting them in any way possible. Response from staff, faculty, and students was overwhelming. Household supplies were donated such as a kitchen table, pots and pans, food, and clothing. The community even got involved by contributing funds and/or services for the Freeman family to receive fuel-oil for the winter.

Christmas was very special as CSU, along with other groups, provided gifts along with support and love for this family of five. A lot of time was spent donating/buying, wrapping, and then delivering the gifts to the Freemans.

It makes us all proud to be able to help make a difference in someone's life.

A Nurse's Prayer

As I care
for my patients today
Be here with me
O Lord I pray.

Make my words kind
it means so much.
And in my hands
place Your healing hands.

Let Your love shine
Through all that I do,
so those in need
may hear and feel You.
